**HAMPDEN/HAMPSHIRE TECH-PREP HIGH-SCHOOL STUDENT
ACCUPLACER CONSENT FORM**

Dear Parent/Guardian:

Hampden/Hampshire Tech-Prep Staff will be visiting _____ High School on _____ to administer an early ACCUPLACER College Placement Test in English and math. This test is given to students entering two- and four-year state colleges in Massachusetts. Students may use these scores, which are valid for two years, when applying to any Massachusetts community or state college. The scores may be used at a number of other colleges.

If you consent, your child will have the opportunity to take the ACCUPLACER College Placement Test in the junior year. This will not count toward high-school grades or college admission. The benefit of taking the test is that it provides you and your child with information regarding placement in college level course(s) and/or determining the need for developmental coursework prior to taking college-level courses.

The scores are shared with the high-school only and are kept at the Consortium office at Holyoke Community College and kept confidential by the College. The results will be given to your child and may be used by his/her high school counselor to assist with scheduling English and/or math refreshment in the senior year and in post-high school planning.

I give permission for my child to take the ACCUPLACER College Placement Test. I understand that scores will be given to my child and that the results may be shared with my child's guidance counselor.
